REQUEST UNDER 37 C.F.R. § 1.821(e)

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir :

The above-identified patent application is a divisional of application Serial No. **08/459,101**, filed June 2, 1995. The sequence listing of the instant application is identical to the sequence content of the computer readable sequence listing previously filed in connection with application Serial No. **08/459,101**.

In accordance with 37 C.F.R. § 1.821(e), please use the computer readable form filed in connection with application Serial No. **08/459,101** as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is included in the specification of the instant application filed herewith. Applicants hereby certify that the paper copy of the Sequence Listing and the computer readable sequence listing previously filed in connection with application Serial No. **08/459,101** are the same and do not include new matter.

If there are any fees due in connection with the filing of this paper, please charge the fees to our deposit Account No. 08-3425.

Respectfully submitted
